

Gradual entry makes for a smoother transition as students adapt to a new school environment, new teachers, new classmates, and new procedures. Students initially attend for two days in a smaller group before the whole class is together on the Friday of the first week. The amount of time then gradually increases until the students are attending through the lunch hour and for a portion of the afternoon. The first full day of school is the Monday September 18th.

This Phase-in plan allows time for 1:1 interview times between the teacher and the families. Families will sign up for an interview time on the first day of school.

This schedule also provides time for the teacher to be present for three lunch times at the end of the second week to support the noon-hour supervisor and students as they get to know each other and establish their lunchtime routines.
