

Field Trip Consent Form

May 27, 2021

Dear Parents/Guardians:

The Orphaned Wildlife Rehabilitation Society (OWL) is a non-profit organization, here in Delta, whose volunteers are dedicated to the rescue, rehabilitation, and release of injured and orphaned raptors, and to educating the public on the conservation and importance of them.

On Thursday, June 3, 2021 your child will have the opportunity to learn about the amazing species of raptors that call British Columbia home, about the dangers they face, and, through the use of animal artifacts and props, how you can help them and other wildlife. Students will also meet two of OWL's Raptor Ambassadors up close on camera! To further compliment their education experience, students will dissect and study owl pellets in class.

The cost for this virtual field trip is \$4.75 per student. The funds are appreciated and are used to help OWL provide the best possible care for the injured and orphaned raptors that come into the centre. Please pay with exact cash, or cheques can be made payable to Devon Gardens Elementary. Please sign the permission slip below and return it with exact payment to school by Wednesday, June 2nd, 2021.

As OWL is a busy non-profit organization, it is always in need of supplies. **If you have access to any of the supplies on the attached OWL Wish List, please send your donations with your child to school before June 11. Your generosity, as always, is much appreciated!**

For more information about OWL, please visit www.owlrehab.org

Sincerely,

Mme Lovat
