November 17, 2022

Dear Parent/Guardian:

On Thursday, November 24 from 1:30 pm – 3:00 pm, students in Division 13 will participate in a virtual field trip with the H.R. MacMillan Space Centre.

The relationship between the Sun, Moon, and Earth has a big effect on our lives. Students will discover more about the phases of the Moon, tides and seasons, and how local First Peoples observed seasons during a live, online, interactive program that incorporates multimedia demonstrations. The program will be followed with an additional 30-minute interactive session to answer questions the students may have.

The cost of this program is \$15.00 per student.

Please complete the permission slip below and return it with payment to the classroom by Monday, November 21st, 2022. Cheques should be made payable to Devon Gardens Elementary.

Yours truly,

Mme K. Oliveira
Teacher, Div. 13

✂----- PLEASE COMPLETE & RETURN BY MONDAY, NOVEMBER 21st, 2022 -----

I give permission for my child, _____, to participate in the online virtual H.R. MacMillan Space Centre program.

[] \$15.00 is enclosed to cover the cost of the field trip. *Please make cheques payable to Devon Gardens Elementary School.*
