Dear Parent/Guardian:

On **Thursday, December 1, 2022**, students in Division 4 are going to visit the **H.R. MacMillan Space Centre** in Vancouver to experience the wonders of space like never before! Students will visit the space-themed, hands-on Cosmic Courtyard exhibit Space. They will enjoy a range of activities like morphing themselves into an alien, touching a Moon rock, trying to lift a meteorite, and building a Mars rover. Students will participate in a hands-on workshop during which they will learn about the relationship between the Earth, Sun, and Moon, including Moon phases and tides, and of the challenges humans would face living in a lunar environment. Students will also experience a Planetarium show! During Our Closest Neighbour, students will explore different views of the Moon and develop an understanding of Earth's closest neighbour from an historical, First Peoples' and scientific perspective. The Moon is more than just an object we see in the sky. It is a place that has inspired people to dream and explore.

We require some parent volunteers to help with supervision. If you can assist us, please complete the necessary information below. **Due to the nature of the fieldtrip, and to ensure adequate supervision, we are unable to accommodate any siblings.**

Total cost of this field trip is **\$40.00** per student, this includes transportation by bus and admission into H.R. MacMillan Space Centre.

Transportation: School Bus

Departure time: 9:00 a.m.

Returning time: 3:00 p.m.

**Please complete the permission slip below and return it to the classroom by Thursday, November 17.**

Cheques should be made payable to Devon Gardens Elementary.

If the cost of the fieldtrip is a hardship for you and your family please contact Mme Greenhalgh, Principal.

Yours truly,

N. Arjun  
Teacher, Div. 4
