Dear Parents & Guardians of Grade 6/7 Students,

We have planned an exciting extended day field trip for our Grade 6 and 7 students to Camp Jubilee for Monday, April 24th, 2023. Camp Jubilee is located on 128 acres of forest and 1/2 mile of Indian Arm waterfront and is accessible only by boat. Students will travel by bus between Devon Gardens and Cates Park, in North Vancouver, and then by boat between Cates Park and Camp Jubilee.

In preparation we are sending this letter to **confirm your child's participation in Camp Jubilee**. In order to finalize the planning for Camp Jubilee it is important that we have an accurate count of how many students will be participating. Although the camp experience provides a valuable extension to the curriculum, participation is not mandatory. Parents may choose to not have their child participate in the camp experience. Students who do not attend camp are expected to attend school, as they would otherwise, and the classroom teacher will make arrangements for their supervision and instructional program.

The total cost for the Camp program is approximately \$150.00 The fee includes round trip bus transportation between the school and Camp Jubilee.

At this time we are asking for a \$50.00 deposit.

A reminder that the fee is due, in full, by Tuesday, March 28, 2023
(Please make cheques payable to *Devon Gardens Elementary School*)

Our hope is that every student will attend and we do not want finances to be a barrier. If you are in need of financial assistance in order that your child participate, please contact Mme Greenhalgh at the school (egreenhalgh@deltaschools.ca).

Please fill out the bottom portion of this letter, including your \$50.00 deposit, to let us know if your child will be participating in the Camp and have your child return it to his/her teacher by Friday, January 20, 2023. Once we have established the number of students participating, more detailed information (camp itinerary, supply lists, medical forms and consent letters) will be sent home with the participating students.
