

## Kinder Books

*Introducing the Kinder Books Loyalty Program for schools! This year-long fundraising program is designed to help schools earn credit towards purchasing books for their school library.*

*Here's how it works: for every net book purchase made at Kinder Books, the **school will earn 10% of the purchase amount towards a credit at our store.** At the end of the fundraiser, we will notify the school of their credit amount. The school can then decide to use the credit at the beginning of the new school year or at the end of the calendar year.*

*The best part? This program **applies to all book purchases** at our store, including special orders for kids and books for adults. Plus, orders can be placed online at [www.kinderbooks.ca](http://www.kinderbooks.ca), making it easy for grandparents or other family members who live out of town to participate. **Simply mention your school's name at checkout, and we'll credit your school accordingly.***

*Online orders can be picked up at the store during business hours or shipped through Canada Post*
